SAM is playing a video game on cell phone. The late bell rings. Sam doesn't move.

SAM

Ugh. They got me.

DANA walks to the bench from behind and sits next to Sam. Sam keeps playing. Dana turns towards Sam and waits for Sam to acknowledge. Sam looks up at Dana is about to say something and then looks down to phone to continue playing games.

DANA

Sam!

Dana reaches for Sams phone. SAM continues to ignore Dana. Dana walks away.

Sam walks out of class with other students. Walks to locker. Places bag down and reaches in to get phone. Dana walks up to Sam and grabs Sams arm. Sam leans back.

DANA

How long are you planning on ignoring the situation?

Sam shrugs Danas arm off.

SAM

I'm done. Get over it.

Sam walks away and Dana watches Sam leave. Dana hits the locker with a closed fist.
